

Employment Opportunity

Community Hub Development Officer

0.4 FTE (14 hours per week) competitive salary (based on experience and expertise)

18-month fixed term contract

Applecross Community Company (ACC) has an exciting opportunity for a part-time Community Hub Development Officer to take forward the conversion of the Church of Scotland Church at Camusterrach into the Applecross Community Hub.

This role will be responsible for managing the first 18-months phase of this Church conversion. This involves overseeing immediate repairs to the building and opening it up for community benefit projects. It also involves coordinating the submission of applications for planning permission required to create the Applecross Community Hub and securing the funding to realise this ambition. The position will be line managed by ACC's Local Development Manager and will work in close collaboration with other staff, volunteer groups and ACC's volunteer board of directors.

We are looking for someone who is self-motivated, energetic and has enthusiasm for Applecross and community development. Project management, experience in construction or community development, and fundraising skills are essential for the role. Desirable skills include Gaelic language and experience of the planning sector.

This post is funded by the Scottish Land Fund for 18-months but may continue beyond this date if future funding is secured. The successful candidate will ideally be based on the Applecross peninsula or surrounding area. A full job description is available on ACC's website.
